

# Design Brief: Creating Complex Art with Illustrator Drawing Tools

## Assignment

**Description:** Use Illustrator Drawing tools to create 5 digital illustrations. Use pen tool, paths, shapes + the shape builder tool, plus any other tools you learn about through tutorials.

### Requirements:

- Tabloid size Document in AI, no bleeds.
- Create the following illustrations:
  - an animal
  - a tree
  - a person
  - an inanimate object
  - free choice
- Work either from a photograph or a scanned hand drawing. Lock the source images down on a separate bottom layer.
- Turn off image layer before printing.

**Timeframe:** 2- 3 hours
